

# HOMWOOD RACES.

A Regular Old-Time Day at the Driving Park.

# THE STRONGEST PROGRAMME

Of the Meeting—Martha Wilkes Wins the Free for All Trot—The Great Race for the Newell Stake the Chief Attraction—Won by Fides Stanton—Twelve Thousand People Witness the Races, Including Three Thousand Ladies—Base Ball Yesterday.

Pittsburgh, Pa., July 13.—It has been many years since there was such an assemblage at the Homewood Driving Park as that this afternoon. The attendance was 12,000. Of this number, three thousand were of the gentler sex. In the big crowd could be seen some of the leading society, business and sporting people in this section and from all parts of the country.

The big race for the \$5,000 Newell stake was the chief attraction, and the free for all pace assisted in making the programme the strongest of the meeting. The interest manifested in the two races recalled old times, when business was almost at a standstill during the Pittsburgh meetings. In the pace all the great side wheelers took part, and the result was the three fastest heats paced this season. Betting was lively and large sums were dumped on Hal Pointer and Favorava. There was only one heat of the 2:21 trot, on account of rain.

The unfinished free for all trot was called at 11 o'clock this morning. Martha Wilkes won the heat and race after a spirited struggle in 2:14. Lord Clinton was second and Hazel Wilkes third.

# PLAYED THE RACES.

A Son of a County Treasurer Gets His Father in Trouble.

CINCINNATI, July 13.—A special from Tipton says: J. K. Armstrong, county treasurer, is short anywhere from \$25,000 to \$45,000. His term expires August 17, 1893. The shortage became known by his refusal to pay an \$80,000 warrant in favor of Pearce & Morgan, who are building the \$150,000 court house here. There is not much blame attached to the treasurer himself, only for the overconfidence he placed in his son and deputy, Calvin Armstrong, who has been living a very gay life and playing all the races from Chicago to St. Louis. There are twenty-four bondsmen, twenty of whom are responsible. As yet there have been no arrests.
